- Updates on research for pedestrian crosswalk Devonshire Jordan, Hillview and Eton needs to be researched regarding DOT regulations. Should have a good chance because they are near schools.
- CNC letter to the all the following with CC's to DOT's Ken Firoozman , LAPD Devonshire Division Captain Bryan Luim; California Office of Traffic and Safety, LAPD Valley Traffic Division (Sgt. Frank Avila and/or SLO); Councilman CD12 (Ask committee if we should leave out CD12 to avoid overwhelming them with CNC requests) to provide the following:

Request #1 to provide traffic safety on Chatsworth Street between Topanga and De Soto (residential 2 lane equestrian zone with FIVE boarding stables & many horses kept in back yards). Current conditions are extremely unsafe. Motorists are excessively speeding and running stop signs. Using the neighborhood street as a short cut to the freeways. This is a hazard to the children and horses on the side of trying to get to the designated bridle path or trails. Worthy of attention

Request #2 (same location). To inform that city that the pedestrian /bike / equestrian crossing located by the browns canyon creek (wash) bridge- near Canoga Ave) does not have markings in the street. Perhaps install blinking cross light and paint a crossing.

- Discuss updates/ budget on a event in Chatsworth having a booth for specific, volunteer surveillance, ring, vendor, others, give window stickers, obtain captain info, etc.
- Look for a suitable date of PT&S meeting to a different day of the month that won't conflict with other meetings
