- Motion for \$2000 NGP for a Neighborhood Watch Event on Sept. 23, 2017 at be held at the Chatsworth Train Depot. Break down of how the money will be used will be discussed. Station has given approval to use the North lot if motion is passed.
- Motion to approve CNC sends a letter to the all the following with CC's to DOT's Ken Firoozman LAPD Devonshire Division Captain Bryan Luim; California Office of Traffic and Safety, LAPD Valley Traffic Division (Sgt. Frank Avila and/or SLO); Councilman CD12?? Or/ and ____? to provide traffic safety on Chatsworth Street between Topanga and De Soto (residential 2 lane equestrian zone with FIVE boarding stables & many horses kept in back yards). Speeding and running stop signs is a problem. Using the neighborhood street as a short cut to the freeways. This is a hazard to the children and horses on the side of trying to get to the designated bridle path or trails.
- Motion to request city to post more Horse zone signage and Horse pedestrian crossing warnings. Review map of suggested areas. The pedestrian /bike / equestrian crossing located by the browns canyon creek (wash) bridge- near Canoga Ave) does not have markings in the street. Perhaps install blinking cross light and paint pedestrian crossing lines. Street is very dark at night.
- Crosswalk on Devonshire Jordan, Hillview and Eton needs to be researched regarding DOT regulation carrying over from previous meeting.
