4 - NEW BUSINESS

Request for a NPG was presented by Paula Boland. President of SOLID

She described the project, the repair and refurbishing of the Senior Lead Officers workspace (trailers)- poor condition these work spaces are inemphasizing the fact that the officers will again do most of the labor just as they did with the last project, upgrading and improving the roll call room and break room. Miss Boland reminded the committee that each time CNC has supported improvements of the Devonshire Station there was an plaque placed recognizing said support.

Committee members evaluated the project following template provided by DONE....
