Although no maximum amount will be set, it should be understood that all campaign costs should be reasonable.

Candidate Statements:
Each Candidate shall be given the opportunity to write a 150-word or less statement that lists their qualifications and explains to Stakeholders their reasons for wishing to serve as a Council Board Member. Each Candidate may also submit a passport-size photo of the person alone. These statements and photos will be posted on the Council website as they are submitted.

In addition, Candidates may submit a one-page statement for inclusion in binders that will be available at the poll for Stakeholders to inspect. This statement must fit on one side of 8½ by 11 paper and must be submitted to the Selection Committee at least one week before the Selection. Saturday, March 12, 2016.

Candidate Forum:
On Wednesday, March 2, 2016, at a noticed monthly Council Meeting, a Candidate Forum shall be conducted. Each candidate shall be given two (2) minutes to express why they should hold a Board position.

The Neutral Third Party shall facilitate the Candidate Forum in order to ensure the fairness of the process. Order of presentation shall be determined by random drawing of Candidate names.

Campaign Tactics:
Candidates should not engage in any type of character defamation (i.e. mudslinging), assault, or attack on any other Candidate or Stakeholder. Proof of the use of character defamation, assault, or attack by a Candidate may result in disqualification. Such disqualification will be determined by the NTP in consultation with the City Attorney.

Candidates may not use the Chatsworth Neighborhood Council logo or City Seal on any campaign materials they produce. Persons violating this requirement will be asked to remove the NC logo and/or City Seal. Failure to do so may result in disqualification.

On the scheduled day of the Board Selection, there shall be no electioneering within 100 feet of the polling place. Any person violating this requirement will be asked to leave the Selection site/area; any Candidate violating this rule may be subject to disqualification.
Electioneering includes, but is not limited to:

- Soliciting a vote or speaking to a Voter on the subject of marking the ballot
- Placing any sign relating to any Candidate
- Distributing or wearing material relating to any Candidate
- Placing a sign, distributing material or talking with a Voter on the subject of their qualifications to vote.

There can be no posted Candidate signage (for example, flyers) within 100 feet of the Selection location on the day of the Board Selection. Signage posted in violation of this requirement will be removed. No audio equipment may be used by any Candidate to project Candidate information on the day of the Board Selection. Any violators will be asked to leave the voting area.

**STAKEHOLDER REGISTRATION**

All Stakeholders who meet the criteria for the definition of a Stakeholder, as listed in the Council Bylaws and above, shall be eligible to vote on the day of the Selection. All Stakeholders will be required to show acceptable forms of identification. See Attachment C for examples of acceptable forms of identification for voters.

**VOTING PROCESS**

No secret balloting is allowed. All ballots will be numbered.

The NTP shall use a random process, such as drawing from a hat, to determine order of Candidates’ names on the ballot. Order on the ballot shall be determined no later than **Monday, March 7, 2016**. The ballots shall clearly state that each Stakeholder may vote for a maximum of 11 Candidates, but may cast only one vote per Candidate. Any ballot with more than 11 Candidates selected will be disqualified.

No write-in Candidates shall be allowed. No absentee or proxy voting shall be allowed.

Procedures:

Stakeholders will start at the Registration Station. Each Stakeholder must fill out a current Voter Registration Form and present acceptable identification. (See Attachment C.) Stakeholders will receive a numbered ballot at the Final Check Station. The ballot number shall be noted on the Voter Registration Form.
The Stakeholder is then admitted to the voting room. Binders containing all submitted Candidate statements shall be available for viewing by Stakeholders to assist in their selection.

Poll Volunteers shall monitor the voting room and assist Stakeholders with any questions on procedures but not on Candidates. The NTP shall be notified of any violations or disruptions in the voting process.

Completed ballots shall be deposited into the ballot box. A Poll Volunteer shall monitor the ballot box at all times. The ballot box shall be unsealed only after the closing of the poll and in the presence of the NTP.

Curbside voting will be provided along the north side of the Chatsworth Train Depot building for a voter with a disability who is unable to access the polling place.

No Candidate may participate in any way in the handling or counting of ballots; Voter or Candidate registration or verification; and/or assisting voters in the act of voting in translating or interpreting the voting materials or explaining the voting process.

**Vote Counting:**
Ballots shall be counted in sections of approximately 50 ballots by at least three (3) groups of volunteers, and recounted separately by each of the groups. Any discrepancy in the tally by the groups shall result in an additional recount of that section of ballots. Each ballot shall be counted multiple times to assure accuracy. The public may observe the ballot count but may not interfere.

After the count is completed to the satisfaction of the NTP, the results shall be tabulated and posted. In the event of a tie, the winner shall be determined by drawing straws, with that process overseen by the NTP. A recount conducted by the NTP may be requested within three (3) calendar days after the Selection only if there is a difference of 10% or less between candidates. **Tuesday, March 22, 2016.**

**Provisional ballots:**
A Voter may cast a provisional ballot if the Voter’s eligibility cannot be determined in favor of the Voter on Selection Day. The only acceptable basis for challenging a Voter’s right to vote at the polling place will be that the person is not a Stakeholder as defined by the Chatsworth Neighborhood Council Bylaws.

If a Voter is challenged on the basis of insufficient documentation, the Voter may produce any of the documentation outlined in these Selection Procedures, at which time the Voter will be issued a regular ballot.
If a Voter cannot produce the required documentation, the Voter will be offered the opportunity to submit a provisional ballot. The provisional ballot will be the same as a regular ballot, except that prior to being placed in the ballot box the provisional ballot will be put inside a specially marked envelope. On the outside of the envelope, the Voter shall provide:

1. The voter’s name.
2. The voter’s address.
3. The voter’s stakeholder status.
4. The voter’s telephone number.
5. The voter’s e-mail address.

When a Voter casts a provisional ballot, the Voter will be issued instructions that explain what steps the Voter must take to qualify the provisional ballot, including documentation required to be submitted, where the documentation is to be submitted, and a contact number to request assistance or seek additional information. The deadline for submission of acceptable documentation shall be three (3) calendar days after the Selection. The Selection Committee and the NTP will be responsible for verification of provisional ballots.

**CHALLENGES**

Contesting the Selection:
Stakeholders who wish to contest the eligibility of a Candidate must submit a written Challenge to the NTP within five (5) days of the close of the Nomination Period. **Tuesday, February 23, 2016.**

Stakeholders who wish to contest the Board Selection or some part of the Board Selection Process (stakeholder status, violations of Selection Procedures or Council Bylaws) must submit a written Challenge to the NTP within five (5) calendar days following the Board Selection. Any Challenge must be received by the NTP by **5 pm, Thursday, March 24, 2016.** Challenges must include a specific rationale of why the Stakeholder feels the Board Selection or Selection Process has been violated along with any other pertinent information that will be of assistance.

The Selection Committee shall review and investigate all Challenges. The Committee shall have the authority to interpret these Selection Procedures and to act as arbitrator to resolve any disputes which may arise.

**Ruling:**
A ruling shall be made within ten (10) calendar days of the deadline to receive a Challenge. **Sunday, April 3, 2016.** Written notice of the decision shall be issued immediately. Decisions of the Selection Committee are final.

In the event of a contested Board Selection, the Committee shall certify the Board Selection as officially valid immediately after the resolution of any and all Challenges to the Selection.

**RECORD RETENTION**

All Board Selection records shall be kept by the Neighborhood Council within a CNC storage area for at least one year following the date of the scheduled Board Selection.

**POST-SELECTION TIMELINE**

The Selection Committee shall provide the Department with a copy of the Board Selection results on the day the official certified results are released.

The previously selected Board shall serve until the newly selected Board is installed.

The newly selected Board shall be installed as a group at the next scheduled monthly meeting of the Chatsworth Neighborhood Council. The President or Vice President of the previously selected Board shall preside over the installation process. **If no challenges are filed, this would be on Wednesday, April 6, 2016.**
