"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by email on 3/23/17 regarding Chatsworth Neighborhood Council."

I went to vote on Sat and while in line the woman in front of me had a flyer of the people that are new and running. I had the same flyer. She was talking to the woman on end who was verifying ID. The woman in line then pointed to Cher Bintlujo photo and said I am voting for her - the woman who worked there shook her head left to right in a "no" reply. She saw me watching and moved on to a different conversation, I then brought this up to the lady who was voting & she said they were talking.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. I understand that all information on this form is public record.
