CAMPAIGNING

Candidate Materials/Contributions:
Although no maximum amount will be set, it should be understood that all campaign costs should be reasonable.

Candidate Statements:
Each Candidate shall be given the opportunity to write a maximum 250-word statement that lists their qualifications and explains to Stakeholders their reasons for wishing to serve as a Council Board Member. Each Candidate may also submit a passport-style photo of the person alone. These statements and photos will be posted on the Council website as they are submitted.

In addition, Candidates may submit a one-page statement for inclusion in binders that will be available at the poll for Stakeholders to inspect. This statement must fit on one side of 8½ by 11 paper and must be submitted to the Selection Committee at least one week before the Selection. **By Saturday, March 14, 2020.**

Candidate Forum:
On **Wednesday, March 4, 2020,** at a noticed monthly Council Meeting, or at a separate date and time set by the Selection Committee, a Candidate Forum shall be conducted. Each candidate shall be given an equal amount of time to express why they should hold a Board position. A question and answer period shall follow. Rules shall be provided to the Candidates prior to the Candidate Forum.

The Neutral Third Party shall facilitate the Candidate Forum in order to ensure the fairness of the process. Order of presentation shall be determined by random drawing of Candidate names.

Campaign Tactics:
Candidates should not engage in any type of character defamation (i.e. mudslinging), assault, or attack on any other Candidate or Stakeholder. Proof of the use of character defamation, assault, or attack by a Candidate may result in disqualification. Such disqualification will be determined by the NTP in consultation with the City Attorney.

Candidates may not use the Chatsworth Neighborhood Council logo or City Seal on any campaign materials they produce. Persons violating this requirement will be asked to immediately remove the NC logo and/or City Seal. Failure to do so may result in disqualification.

On the scheduled day of the Board Selection, there shall be no electioneering within 100 feet of
the polling place. Any person violating this requirement will be asked to leave the Selection site/area; any Candidate violating this rule may be subject to disqualification.

Electioneering includes, but is not limited to:

- Soliciting a vote or speaking to a Voter on the subject of marking the ballot
- Placing any sign relating to any Candidate
- Distributing or wearing material relating to any Candidate
- Placing a sign, distributing material or talking with a Voter on the subject of their qualifications to vote.

There can be no posted Candidate signage (for example, flyers) within 100 feet of the Selection location on the day of the Board Selection. Signage posted in violation of this requirement will be removed. No audio equipment may be used by any Candidate to project Candidate information on the day of the Board Selection. Any violators will be asked to leave the voting area.

**STAKEHOLDER REGISTRATION**

All Stakeholders who meet the criteria for the definition of a Stakeholder, as listed in the Council Bylaws and above, shall be eligible to vote on the day of the Selection. All Stakeholders will be required to show acceptable forms of identification and documentation. *(See Attachment C for examples of acceptable forms of identification and documentation for voters.)*

**VOTING PROCESS**

No secret balloting is allowed. All ballots will be numbered.

The NTP shall use a random process, such as drawing from a hat, to determine order of Candidates’ names on the ballot. Order on the ballot shall be determined no later than **Wednesday, March 4, 2020**. The ballots shall clearly state that each Stakeholder may vote for a maximum of 11 Candidates in even-numbered years or 10 Candidates in odd-numbered years, but may cast only one vote per Candidate. Any ballot with votes for more than the specified number of seats to be filled will be disqualified.

No write-in Candidates shall be allowed. No absentee or proxy voting shall be allowed.
Procedures:

Stakeholders will start at the Registration Station. Each Stakeholder must fill out a current Voter Registration Form and present acceptable identification and documentation (See Attachment C). Stakeholders will receive a numbered ballot at Ballot Table. The ballot number shall be noted on the Voter Registration Form.

The Stakeholder is then admitted to the voting room. Binders containing all submitted Candidate statements shall be available for viewing by Stakeholders to assist in their selection.

Poll Volunteers shall monitor the voting room and assist Stakeholders with any questions regarding procedures, **but not Candidates.** The NTP shall be notified of any violations or disruptions in the voting process.

Completed ballots shall be deposited into the Ballot Box. A Poll Volunteer shall monitor the Ballot Box at all times. The Ballot Box shall be unsealed only after the closing of the poll and in the presence of the NTP.

Curbside voting will be provided along the north side of the Chatsworth Train Depot building for voters with a disability who are unable to access the polling place.

No Candidate may participate in any way in the handling or counting of ballots, Voter or Candidate registration or verification, and/or assisting voters in the act of voting in translating or interpreting the voting materials or explaining the voting process.

**Vote Counting:**
The NTP shall unseal the Ballot Box after voting has concluded and shall oversee the entire counting process. Counting requires a minimum of six (6) volunteers, who shall be divided into pairs, resulting in a minimum of three (3) pairs of counters. Ballots shall be counted in batches of approximately 50 ballots by at least two (2) pairs of volunteers, and recounted separately by each of the pairs. Any discrepancy in the tally by the groups shall result in an additional recount of that batch of ballots. Each ballot shall be counted multiple times, as necessary, to assure accuracy. The public, including candidates, may observe the ballot count but may not interfere.

After the count is completed to the satisfaction of the NTP, the results shall be tabulated and posted. A recount conducted by the NTP may be requested within four (4) calendar days after the Selection only if there is a vote difference of 10% or less between candidates. **Wednesday, March 25, 2020.**

Ties:
In the event of a tie, the winner shall be determined by drawing straws, with that process overseen by the NTP.

**Provisional ballots:**
A Voter may cast a provisional ballot if the Voter’s eligibility cannot be determined in favor of the Voter on Selection Day. The only acceptable basis for challenging a Voter’s right to vote at the polling place will be that the person is not a Stakeholder as defined by the Chatsworth Neighborhood Council Bylaws.

If a Voter is challenged on the basis of insufficient documentation, the Voter may produce any of the documentation outlined in these Selection Procedures, at which time the Voter will be issued a regular ballot.

If a Voter cannot produce the required documentation, the Voter will be offered the opportunity to submit a provisional ballot. The provisional ballot will be the same as a regular ballot, except that prior to being placed in the ballot box the provisional ballot will be put inside a specially marked envelope. On the outside of the envelope, the Voter shall provide:

1. The voter’s name.
2. The voter’s address.
3. The voter’s stakeholder status.
4. The voter’s telephone number.
5. The voter’s email address.

When a Voter casts a provisional ballot, the Voter will be issued instructions that explain what steps the Voter must take to qualify the provisional ballot, including documentation required to be submitted, where the documentation is to be submitted, and a contact number to request assistance or seek additional information. The deadline for submission of acceptable documentation shall be three (3) calendar days after the Selection by 11:59 p.m. Tuesday, March 24, 2020. The Selection Committee and the NTP will be responsible for verification of provisional ballots.

**CHALLENGES**

**Contesting the Selection:**
Stakeholders who wish to contest the eligibility of a Candidate must submit a written Challenge to the NTP within seven (7) days of the close of the Nomination Period. **Thursday, February 27, 2020.**

Stakeholders who wish to contest the Board Selection or some part of the Board Selection Process (stakeholder status, violations of Selection Procedures or Council Bylaws) must submit a written Challenge to the NTP, or online through chatsworthcouncil.org, within five (5) calendar days following the Board Selection. Any Challenge must be received by the NTP, or submitted online, by **11:59 p.m. Thursday, March 26, 2020.** Challenges must include a specific rationale of why the Stakeholder feels the Board Selection or Selection Process has been violated along with any other pertinent information that will be of assistance.
The Selection Committee shall review and investigate all Challenges. The Committee shall have the authority to interpret these Selection Procedures and to act as arbitrator to resolve any disputes which may arise.

Ruling:
A ruling shall be made within ten (10) calendar days of the deadline to receive a Challenge. Sunday, April 5, 2020. Written notice of the decision shall be issued immediately. Decisions of the Selection Committee are final.

ANNOUNCEMENTS OF RESULTS

The Board Selection unofficial results shall be posted at the Chatsworth Train Depot within 24 hours following the voting. By 5:00 p.m. Sunday, March 22, 2020.

Certification of Board Selection Results:
The Selection Committee shall certify the Board Selection results as officially valid after six (6) calendar days following the Selection if no written Challenges have been received. Friday, March 27, 2020.

In the event of a contested Board Selection, the Committee shall certify the Board Selection as officially valid immediately after the resolution of any and all Challenges to the Selection.

RECORD RETENTION

All Board Selection records shall be kept by the Neighborhood Council within a CNC storage area for at least one year following the date of the scheduled Board Selection. Records are open to the public pursuant to the California Public Records Act (CPRA) and available for viewing upon request.

POST-SELECTION TIMELINE

The Selection Committee shall provide the Department with a copy of the Board Selection results on the day the official certified results are released.

The Selection Committee shall hold a debriefing meeting within thirty (30) calendar days following the Board Selection (by Monday, April 20, 2020) to evaluate the proceedings. This evaluation shall be written and presented as a Selection Committee report to the Board.
The previously selected Board shall serve until the newly selected Board is installed.

The newly selected Board shall be installed as a group at the next scheduled monthly meeting of the Chatsworth Neighborhood Council. The President or Vice President of the previously selected Board shall preside over the installation process. If no challenges are filed, this would be on Wednesday, April 1, 2020.

VACancies AND SPECIAL SELECTIONs

A vacancy on the Board shall be filled using the following procedure:
A. A vacancy shall be announced at the next regular meeting of the Board and then the matter placed on the agenda for the following regular meeting.
B. Any stakeholder(s) interested in filling a vacant seat on the Board shall submit written application(s).
C. If the number of stakeholders submitting applications equals the number of vacant seats available, then a vote of the Board shall be taken on each applicant separately and the applicant installed by a majority vote of the Board members present. If there are more applicants than the number of vacant seats, then a vote shall be taken either at a special Selection or at the next regular Board meeting by all registered stakeholders present. The vote shall be presided over by the Selection Committee or its designee and shall include one (1) vote per Board vacancy per registered stakeholder.
D. When the process mentioned above fills a vacant seat, the seat shall be filled for the remainder of the term for that seat. In no event shall a vacant seat be filled where a general Selection is scheduled to occur within ninety (90) days of the date that a special Selection could otherwise be scheduled.
E. A special Selection held to fill a vacancy on the Board may be conducted during the business portion of a duly noticed monthly Board meeting.
F. If more than one (1) vacant seat is filled in the same special Selection, winning candidates shall be ranked in order by their number of votes and the seat(s) shall be awarded in order based on the highest vote count(s) getting the longest remaining term(s).
G. If more than one (1) vacant seat is filled by vote of the Board where the number of seats available equals the number of applicants, and the remaining terms are of different lengths, straws shall be drawn to determine which candidates are awarded the seats with the longest remaining terms.
H. If a vacancy occurs after the December Board meeting, the special Selection shall be held in conjunction with the regularly scheduled March Selection. All candidates shall be ranked in order by their number of votes. The candidates with the highest vote counts shall be awarded seats with terms that are designated for the regular Selection, with 11 seats filled in years ending with even numbers and 10 seats in years ending with odd numbers. Vacant seat(s) shall be filled following the same order by the rest of the candidates based on their number of votes.
I. Because a special Selection is designed to result in the voting and seating of new Board member(s) at one meeting, there shall be no challenges allowed.
J. All regular and special Selections require extensive outreach to attract candidates for the Board.

CNC Selection Committee and NTP will refer to the “2019 Neighborhood Council Election Handbook” for guidance on any policies or issues not covered in these Selection Procedures. These procedures are deemed approved ten (10) days after submittal to the Department of Neighborhood Empowerment unless written notice is given to vote@chatsworthcouncil.org before that time.
The Chatsworth Neighborhood Council includes a geographic area that includes in excess of 35,000 residents. **The boundaries include all areas within the City of Los Angeles** described as follows:

A. The Northern line shall be from the most northwesterly point of the Los Angeles City / Los Angeles County boundary at SR-118, northeast along said boundary to Brown’s Canyon Road, then south along Brown’s Canyon Road to the gate at its southern terminus, then south in a straight line to SR-118, then east to Corbin Avenue.

B. The Eastern line shall be centerline of Corbin Avenue from SR-118 to Nordhoff Street.

C. The Southern line shall be the centerline of Nordhoff Street from Corbin Avenue west to its termination, thence continuing in a straight line to the Los Angeles City / Los Angeles County boundary.

D. The Western line shall be the western Los Angeles City limit from the extended centerline of Nordhoff Street north to SR-118.
